ASSENTED-TO MOTION FOR AN ADDITIONAL SEVEN DAYS TO REPORT TO THE COURT REGARDING THE NEED FOR A CONTESTED RESTITUTION HEARING

The Court held a Status Conference on April 3, 2017 regarding restitution.

While at that Conference, the undersigned advised the Court that he would contact counsel representing the victims who have filed claims for restitution in an attempt to determine quickly whether a contested hearing will be necessary, or whether an agreed upon resolution will be presented to the Court for approval.

The Court issued a Procedural Order requiring that, "[o]n or before April 7, 2017, counsel shall notify the Court whether a hearing will be necessary." Procedural Order, Docket # 26.

After confirming respective victim representation, on Thursday the undersigned reached out via e-mail to the three attorneys representing the several victims in this case, generally advising them of the instant issue and seeking conversations with each.

The undersigned has spoken with one victim attorney and significant progress has been made on the resolution of the restitution with that victim.

Additionally, the undersigned has had email communications with a second victim attorney and made plans to speak this morning. Unfortunately, that telephone conference did not take place. Another email has been sent to attempt to reschedule that telephone conference for this evening, for over the weekend, or for Monday.

The other victim attorney has not responded and a follow up email was sent asking to speak on Monday.

The undersigned will continue to pursue this course of action, and is optimistic that a proposed agreed upon resolution will be reached, but respectfully requests an additional seven days to report back to the Court as to whether a hearing will be necessary.

The defendant, through counsel, assents to the relief sought.

WHEREFORE, the United States requests an additional seven days within which to advise the Court whether a hearing will be necessary.

Respectfully submitted,

JOHN J. FARLEY
Acting United States Attorney
